Each Snack Time set includes three reusable sandwich bags that feature a fold-over, hook-and-loop closure system that expands to fit a full-size sandwich, or folds over for smaller snack items. A food-safe, water and stain resistant liner makes for easy cleaning. These convenient bags are BPA-free and machine washable. Snack Time sets are offered in two fun polyester prints.

REPREVE®

Post-consumer plastic bottles are collected.

The collected waste then enters a unique material conversion process where it's chopped, ground, melted, and reformulated.

REPREVE, a recycled chip, is formed.

The **REPREVE** chip is extruded and textured through a proprietary process.

REPREVE—a family of 100% recycled fibers.
